Senior licensing:

- Saskatchewan resident seniors age 65 years or older who produce proof of age and Saskatchewan residency do not require a licence to angle.
- Seniors from out of province are required to purchase an angling licence.
- Seniors are required to meet all other fishing regulations, such as catch limits and fishing seasons.

AUTOMATED HUNTING, ANGLING AND TRAPPING LICENSING (HAL)

NEW!

The Ministry of Environment is automating its hunting, angling and trapping licensing (HAL) system.

The initial roll-out of the new licensing system is expected on April 1, for the 2013 angling season and the 2013 spring bear season. We expect all licences to be available in time for the fall hunting season.

The new service, when fully operational, will improve service to citizens by allowing hunting, fishing and trapping licences to be purchased online, by phone toll-free through a call centre at 1-855-848-4773 and over the counter at licence issuers and ministry offices. Additional benefits include greater efficiency in ministry operations, more effective information for managing Saskatchewan's fish and wildlife resources and increased efficiency for compliance.

Licence fees will not increase and the allocation of 30 per cent of licence revenue to the Fish and Wildlife Development fund will be retained. For more hunting and angling licensing information, visit our website at www.saskfishing.ca/licences.

Lost / Destroyed Licences

- Licences may be reprinted online, at a Ministry of Environment office (no charge) or from a private licence vendor.
- Lac la Ronge endorsements can only be reprinted at Ministry of Environment offices upon completion of a statutory declaration. All trout harvest records must be transferred to the replacement endorsement.

! **It is unlawful to:**

- sport fish without possessing a valid Saskatchewan angling licence unless the angler is under 16 years of age or a Saskatchewan Resident Senior;
- use another person's licence to fish;
- obtain a licence using false information;
- backdate or otherwise alter a licence; and
- fail to produce a licence upon request of a conservation officer or an RCMP officer.
